

AQUA-PREP®

Protein Solution

A scientific blend of fermented proteins with surfactants designed to increase the efficiency of naturally occurring bacteria in reducing organic pond sediment ("muck").

- Blend of proteins and surfactants that energize resident bacteria, accelerating nutrient consumption
- Significantly increases the metabolism of organic contaminants without the increase in biomass
- Proprietary blend of proteins from yeast fermentation bonded with surfactants
- Easily mixes with algacides and herbicides for improved treatment
- Proteins degrade pollutants of biological origin, such as fats, oils, proteins and polysaccharides - Proteins pre-digest pollutants to be more effectively degraded by pond bacteria

KEEP OUT OF REACH OF CHILDREN

CAUTION

May cause eye or skin irritation.

Read all Precautionary Statements and First Aid on product label before use.

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS.

CAUTION. Contains a blend of proteins and surfactants. May cause eye or skin irritation. Do not get in eyes, on skin or on clothing. Do not taste or swallow. Wash hands thoroughly after handling.

FIRST AID	
IF IN EYES	Immediately flush eyes with plenty of water for at least 15 minutes. Seek medical attention if irritation develops.
IF ON SKIN	Immediately flush skin with plenty of water for 15 minutes. If clothing comes in contact with the product, the clothing should be removed immediately and laundered before re-use. Seek medical attention if irritation develops.
IF SWALLOWED	Immediately drink water to dilute. Seek medical attention if symptoms develop. DO NOT induce vomiting unless told to do so by a physician. Never give anything by mouth to an unconscious person.
IF INHALED	Remove individual to fresh air. Seek medical attention if breathing becomes difficult or if respiratory irritation develops.
Have the product container or label with you when calling a poison control center or doctor or going for treatment. IN CASE OF EMERGENCY, CALL INFOTRAC at 1-800-535-5053.	

DIRECTONS FOR USE:

Performs best when water is 39°F or higher; aerated water is recommended with product use.

Wear proper safety equipment including rubber gloves and eye protection when handling or applying this product.

- Determine amount of product required using the table below.
Calculate Acre-feet using: $length \times width \times depth / 43,560$
- Multiply Acre-feet by rate shown in table to find amount of product required in gallons.
- Make a solution with 1 part product to 9 parts water.
- Disperse evenly with clean sprayer or other appropriate method.
- Apply maintenance amount two weeks after initial application and then every two weeks following throughout season.

Organic Content	Initial Application Gal./Acre-ft	Maintenance Application Gal./Acre-ft
Low	0.5	0.25
Medium	0.5	0.33
High	0.5	0.5

Always make a solution prior to application and use the solution the same day. Disperse evenly. Do not exceed maximum application rate. Failure to make a solution and disperse evenly or exceeding application rate may cause fish mortality. When mixing with aquatic dyes, use mix on same day – this product will not interfere with dyes applied prior to or after application.

STORAGE AND DISPOSAL: Keep this product dry in its tightly closed container when not in use. Store in a cool, dry, well-ventilated area. Keep from freezing. Use within 24 months. Do not reuse empty container. Rinse empty container thoroughly with water, then offer for recycling, or dispose in accordance with state and local regulations. In case of spill, wash down with water and flush into sewer system.

NOTICE

Warranty Disclaimer:

This product conforms to the chemical description on the product label. Testing and research have also determined that this product is reasonably fit for the uses described on the product label. To the extent consistent with applicable law, Seller makes no other express or implied warranty of fitness or merchantability nor any other express or implied warranty and any such warranties are expressly disclaimed.

Misuse: Federal law prohibits the use of this product in a manner inconsistent with its label directions. To the extent consistent with applicable law, the buyer assumes responsibility for any adverse consequences if this product is not used according to its label directions. To the extent consistent with applicable law, in no case shall the seller be liable for any losses or damages resulting from the use, handling or application of this product in a manner inconsistent with its label.
