

SePRO Natural Reflection™

Highly Concentrated Liquid Pond Colorant

Ingredients:

Proprietary blend of dyes.....100.0%

PRECAUTIONARY STATEMENTS

Before using this product, read the entire label including the conditions of sale. Consult the SDS for further information.

Keep Out Of Reach of Children
CAUTION

GENERAL INFORMATION

SePRO Natural Reflection Liquid Pond Colorant is a concentrated blend of non-toxic, environmentally friendly dyes, formulated to beautify ponds and improve the appearance of surface waters by imparting a natural black color to the pond water. Water may be used for irrigation or fishing immediately following treatment. Treated water will not harm fish, water fowl, pets or wildlife.

DIRECTIONS FOR USE

For application to ponds and ornamental bodies of water.

Liquid Pond Colorant

8180NR.41

Treatment in the Event of Accidental Exposure

If Swallowed	Do not induce vomiting unless directed to do so by medical personnel. Seek medical attention immediately.
If in Eyes	Flush with plenty of low-pressure water.
If on Skin	Wash exposed areas with soap and water.
If Inhaled	This material is not expected to be an inhalation problem.

Transportation and Medical Emergency, call:

INFOTRAC at 1-800-535-5053.

IMPORTANT: Do not apply this product to water intended for direct human consumption. Do not use this product in streams, rivers or other bodies of water which are not under the control of the user. Only use this product in accordance with local, state and federal regulations.

USE RATE

Apply at a rate of 16 oz. per 1 acre foot of water. More or less SePRO Natural Reflection can be applied to attain the desired look. Pour correct dosage of SePRO Natural Reflection dye directly into the water at several different locations to improve the dispersion rate. To determine "Acre-Feet" volume, multiply the surface acres of the pond by the average depth.

$$\text{Number of Acre-Feet} = \frac{\text{Length in feet} \times \text{Width in feet}}{43,560} \times \text{Average Depth of the pond in feet}$$

This container will treat "8 acre-feet" of pond water.

STORAGE AND DISPOSAL

Keep from Freezing. Freezing can cause container to rupture. Store in a cool dry place. Keep product closed tight when not in use. Non-refillable container. **DO NOT** reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying; offer for recycling, if available.

Net contents 1 gallon (Non-refillable)

Warranty Disclaimer: SePRO Corporation warrants that this product conforms to the chemical description on the product label. Testing and research have also determined that this product is reasonably fit for the uses described on the product label. To the extent consistent with applicable law, SePRO Corporation makes no other express or implied warranty of fitness or merchantability nor any other express or implied warranty and any such warranties are expressly disclaimed.

Misuse: Federal law prohibits the use of this product in a manner inconsistent with its label directions. To the extent consistent with applicable law, the buyer assumes responsibility for any adverse consequences if this product is not used according to its label directions. In no case shall SePRO Corporation be liable for any losses or damages resulting from the use, handling or application of this product in a manner inconsistent with its label.
